HELP IN READING THE SCHEDULE

Designated General Education/Liberal Education and Liberal Learning Course Offerings

General Education Courses (100-200):

GE = General Education

MGE = GE course that incorporates the Multicultural/Global Perspectives component

LE=Liberal Education (Effective Fall 2010 Catalog year)

A General Education Course at Park University is one that aims at meeting the definition of general education as being, one that develops an awareness of human potentials. It also develops proper attitudes for realizing such potentials through critical and informed judgments that foster concern for individual and social well-being. It develops a love for learning by encouraging activities that promote knowledge of the basic concepts, methodologies, and rewards learning. It builds skills and competencies that help a student acquire the distinctive outcomes defined in the University mission statement. While it may emphasize the literacy of its discipline, it should develop concern for individual and social well-being, and foster open-mindedness and professionalism.

Liberal Learning Courses (300-400; no pre-requisites; students must have completed sixty (60) credit hours):

LL = Liberal Learning

MLL = Liberal Learning course that incorporates the Multicultural/Global Perspectives component

LE=Liberal Education (Effective Fall 2010 Catalog year)

Focuses on a contemporary problem(s) or theme, gives consideration to multidisciplinary perception of the issue or theme, and aims to stimulate the intellectual life of the student. Each course requires completion of at least one major assignment (research, journalistic, or creative writing), or an art work or an artistic performance. All Liberal Learning courses should include multicultural or global dimensions.

Course Schedule

The Course Listings Headers are numbered here as a quick reference to the section clarifying any questions you may have regarding the Class Schedule.

Course # / Code / Course Title / Hours / Session / Section / Faculty / Days / Time

Course Numbers and General Information

Courses are listed alphabetically by discipline and the letter codes in parenthesis by the headers in the schedule indicate the area the courses fall, e.g. Art (H). Those abbreviations are as follows:

NS = Natural and Life Sciences

H = Humanities and Performing Arts (EN105 and EN106 cannot be used for Humanities credit)

SS = Social and Administrative Sciences

INTD = Interdepartmental

Course descriptions are found in the Park University Catalog. Suggested prerequisites (+) are recommended to enhance the probability of success in specific courses. Courses listed are not offered at every Campus Center.

The lettered prefix before each course number represents an abbreviation of the course's discipline. The first digit of the course number represents the level of the course. The following course number system is used:

100-199 Freshman

300-399 Junior

200-299 Sophomore

400-499 Senior

The freshman and sophomore students may not enroll in courses more than one level above their academic classification without explicit permission from the advisor and Dean/Associate Dean (e.g., Freshman may not enroll in 300 level courses without permission; sophomores may not enroll in 400 level courses without permission.)

2

Code

- + = Prerequisite
- \$ = Course fee*
- # = Permission of instructor
- #D = Permission of Department Chair
- XX = Cross listed with another course
- GE = General Education course
- MGE = General Education course that incorporates the Multicultural/Global Perspectives component
- LE= LE=Liberal Education (Effective Fall 2010 Catalog year)
- LL = Course meets the Liberal Learning requirement.
- MLL = Liberal Learning that incorporates the Multicultural/Global Perspectives component

**While every effort is made to ensure that all fees are noted in the printed schedule, fees are subject to change by Park University at any time without prior notice.*

3

Course Name

Course descriptions are found in the Park University Undergraduate Catalog.

4

Credit Hours

The number of hours the course is credited with. NOTE: Each course description in the catalog is followed by a 3-number sequence providing the following information: first digit, number of lecture hours per week; second digit, number of laboratory hours per week; third digit, number of credit hours granted for the course. For example, a class described as 3:1:4 would have three lecture hours, one lab hour, and four hours granted to total credit. All courses are valued in semester hours.

5

Session

- SP = Spring 16-week session
- S1J (Park Accelerated Program) and S1T (Online) = Spring I (first 8-week session)
- S2J (Park Accelerated Program) and S2T (Online) = Spring II (second 8-week session)

Campus / Section Codes and other abbreviations

- DL = Internet
- DN = Downtown Campus (Park Accelerated Program)
- HO = Parkville Daytime Campus Center (PDCC)
- HO* = PDCC alpha letters other than "Z" denote multiple sections of the course
- HOZ = PDCC courses with an HOZ section are not for open enrollment. Instructor permission is required.
- IN = Independence Campus (Park Accelerated Program)
- PAP = Park Accelerated Program (evening/weekend)
- PV = Parkville Campus (Park Accelerated Program)

7

Faculty

Instructors are listed last name first. If "staff" is listed, an instructor has not been assigned at the time the schedule was printed.

8

Days of Week

- M = Monday
- T = Tuesday
- W = Wednesday
- R = Thursday
- F = Friday
- U = Sunday
- S = Saturday
- TBA = To Be Arranged with the instructor

NOTE: If the first meeting of the class is not indicated on the schedule, then the student needs to meet with the instructor to arrange a time.

9

Time

This gives the beginning and ending time for the course. If there is no time listed, then the student needs to meet with the instructor to arrange a time.

ACADEMIC ADVISING

Although advisors and advisees work together in all areas related to academic planning, academic decision-making responsibilities, including the responsibility for meeting each of the graduation requirements of the University, rest ultimately with the student.

FINAL EXAM SCHEDULE

The dates of the final exams are listed across the top of the chart. The final exam times are listed to the left side of the chart. Locate your scheduled class time within the grid and cross reference the date and time of the final. NOTE: Evening and weekend classes will have final exams during finals week on the regularly scheduled day.

DATE OF FINAL EXAM					
	MONDAY May 7, 2012	TUESDAY May 8, 2012	WEDNESDAY May 9, 2012	THURSDAY May 10, 2012	FRIDAY May 11, 2012

Missed Final Exams

Only extraordinary circumstances warrant a student being allowed to make up a missed final examination. It is the student's responsibility to contact the faculty member before the scheduled exam to request permission to take a makeup exam. In the process of determining whether a makeup exam should be allowed, the burden of proof is on the student. The faculty member has the right to request verification of any excuse offered by the student.

Web Page - MyPark

MyPark is a personalized web page that students and faculty members can customize to meet their information needs. This portal is designed to be a "one-stop" place for Park University faculty and students to access important information on the web. It also serves as a gateway to many online resources and communication tools at Park University. MyPark features include:

- Easily enroll in classes, check grades, obtain degree audits, and more
- Integrated access to the Park Google Apps service and online course materials
- Quick access to online library resources as well as Park's calendars, news, and announcements
- A personal calendar tool for maintaining class schedules and appointments
- Personal web link customization on students' MyPark page using "Bookmarks"
- Communication with other students and club members through "Communities"

MyPark can be accessed directly at <https://my.park.edu/ics/> or from Park's home page at <http://www.park.edu>. To log on to MyPark, faculty and students must use their Park ID number and their OPEN password, which is provided by the Student Assistance Center or the Campus Center Director (Photo ID required). For more information regarding these services, please see the Student and Faculty handbooks.

Email - PARK GOOGLE APPS

All students admitted to Park University automatically have a free email account assigned to them within 48 hours. Before students can use any of the Park Google Apps features, they must connect to their email account. **All official Park University correspondence will be sent to the student at this address. All students are highly encouraged to check their Park Google Apps regularly.**

Help Desk

The ITS Help Desk provides technical support for all our campus centers throughout Park University. Our purpose is to supply front-line support to students, staff, faculty and others who utilize Park's technology services. The Help Desk can be contacted via email at helpdesk@park.edu or by telephone between 8:00 am and 6:00 pm CST/CDT, Monday through Friday, at (816) 584-6768, or toll free at 1-800-927-3024.

Information Technology Policies and Procedures

University information technology resources constitute a valuable University asset that must be managed accordingly to ensure their integrity, security, and availability for teaching, research and business activities. Carrying out this mission requires the University to establish basic Information Security policies and standards and to provide both access and reasonable Security at an acceptable cost. The University Information Technology Policies and Procedures are intended to facilitate and support authorized access to University information.

Users of University information technology resources are personally responsible for complying with all University policies, procedures and standards relating to Information Security, regardless of campus center or location and will be held personally accountable for any misuse of these resources. The Information Technology Policies and Procedures are located at <http://www.park.edu/itp.pdf>.

The use of a student user id and password to access the computer system is the equivalent of a legal signature and creates the same obligations for the student. The student will be responsible for any and all future registration(s) by accessing the computer with the assigned id number. All transactions on the computer system constitute official records recognized by the institution. All appeal decisions related to policy or procedures will be based on the computer system transaction records.
