Subject: Supplemental Information for the HLC

Judith and John,

Wanted to let you know that a draft of the supplemental information for the HLC will soon be posted to the Assessment website (where the Monitoring Report had been posted). Hopefully later today or tomorrow. I welcome your feedback. Thanks, M.

p.s. Hope you've both enjoying the break week...or enjoyed it if you don't see this until Monday.

Michael H. Droge, Ph.D.
