ED641 Course Description, last sentence:

Delete: *Prerequisites: ED 546 Advanced Diagnosis and Remediation of Reading Difficulties, ED 561 Miscue Analysis.*

Add: *Prerequisites: ED 546 Advanced Diagnosis and Remediation of Reading Difficulties.*

Page 132

Delete: **HA508 IT, Data Gathering and Data Management** 3 cr.

The course focuses on gathering and analyzing relevant institutional data for decision-making. Familiarity with main Healthcare data organizations, both public and private, will also be a focus of this course. Students will have direct experience with data mining, planning studies, and operational research, as well as with clinical research, as it relates to healthcare outcomes. Use of inferential statistics and other data analysis techniques will be taught in this course. An introduction to the role of information technologies in management and decision-making, as well as reducing risk and promoting patient safety and confidentiality, will be offered. The course seeks to build skills and knowledge in the evaluation and selection of hardware and software, evaluating technology vendors, and effective use of technology-based solutions. It will also focus on the implementation and training needed to implement information technology and to further evidence-based healthcare and data driven decisions

Insert: **HA508 Information Technology and Data Management for Healthcare Organizations** 3 cr.

This course provides an overview of the role of information systems and information technologies in healthcare management and decision-making. Students will also explore data management and data analysis issues relevant for health care decision making.

Delete: 3 cr.

Add: 1-4 cr.

Page 139

MBA526 Corporate Enterprise Management in a Complex Global Setting, last sentence 3 cr.

Delete: *Prerequisite: MG351 or equivalent approved by Program Director (Formerly MG526)*

Add: *Prerequisite: MG352 or equivalent approved by Program Director (Formerly MG526)*

MBA527 Issues in Ethics and Social Responsibility, last sentence 3 cr.

Delete: *Prerequisite: MG260 or equivalent approved by Program Director Formerly MG527)*

Add: *Prerequisite: MG352 or equivalent approved by Program Director (Formerly MG527)*

Page 145

MBA660 International Business Management, last sentence 3 cr.

Add: Prerequisite: MG352 or equivalent approved by Program Director (Formerly MG660)

Delete: MBA674 Economics for Management Decisions 3 cr.

This course covers microeconomic analysis of specific problems faced by business firms. These problems include selecting the optimal product mix to maximize profit or minimize cost; selecting the optimal portfolio mix to meet specific firm financing requirements; selecting the optimal path for shipping products of raw materials; and other problems appropriate to the business firm. The course includes determining an optimal solution to conflicting firm objectives such as maximizing profit and minimizing pollution. It also covers the solution of problems that include soft constraints. The analysis is conducted using Microsoft Excel to solve problems by Linear Programming and regression analysis. *Prerequisites: EC141, EC142, and EC315 or equivalent approved by Program Director (Formerly EC604)*

Insert: MBA674 Economics for Management Decisions 3 cr.

This course covers the concepts, tools and methods of economic analysis relevant to decision-making occurring within and across firms, with emphasis on the economic way of approaching business decisions. Attention is given to the analysis of factors determining market demand and supply, as well as factors affecting short-and long-run production and costs, strategic pricing policy in the presence of marketing power, and interaction of firms interacting within various market structures. *Prerequisite: EC315 or equivalent as approved by Program Director. (Formerly EC604)*

Page 146

Between MU530 and MU540-543

Insert: MU534 Music History: Medieval, Renaissance and Baroque 3 cr.

An Introduction to the music literature from ancient times to 1700. Historical and stylistic perspectives are address as are the organization, language and grammar of musical structures for the relevant time period.

An introduction to the music literature from 1700 to the present. Historical and stylistic perspectives are address as are the organization, language and grammar of musical structure for the relevant time period.

Page 147

Between MU580 and MU590

Insert: MU585 Special Topics in Music 3 cr.

Intensive study and/or performance of an area of music selected by the instructor on the basis of student need or current issues.

Page 150

After PA 545

Delete: Management of Nonprofit Organizations 3 cr.

An overview of management principles and practices, with the common and distinctive elements of nonprofit management compared to public and business organizational management. Different approaches within nonprofit management are viewed historically and in current practices. Critical nonprofit functions are emphasized, such as nonprofit incorporation and regulation, the nature of governance processes, marketing to multiple stakeholders, variations in the mix of services and funding sources, and the use of volunteers. Ethical relationships and the impact of technology within the nonprofit organization are also examined.

Add: Management of Nonprofit and Nongovernmental Organizations 3 cr.

An overview of management principles and practices, with the common and distinctive elements of nonprofit management compared to public and business organizations in the United States and to civil society and nongovernmental (NGO) organizations in the global context. Different approaches within nonprofit management are viewed historically and in current practices. Critical nonprofit functions are emphasized, such as nonprofit incorporation and regulation, the nature of governance processes, marketing to multiple stakeholders, variations in the mix of services and funding sources, and the use of volunteers. Ethical relationships and the impact of technology within the nonprofit organization are also examined.
