

Payment Options/Confirmation

Students admitted to Graduate Programs may register and confirm their classes anytime through the first day of the term or semester. Refer to the [Academic Calendar](#) for specific dates. Students must be registered and confirmed for a course before the deadlines in order to avoid late charges and in order to receive academic credit for that course.

To complete registration, [fees must be paid in full](#) or arrangement for payment made (50/50 Tuition Plan, financial aid [TA, VA, loans], or employer authorization documents) before confirmation of a class. Students already confirmed for classes can add/drop or exchange courses until one week after the first day of the term.

Payment Information

You must confirm by the confirmation date or else you will lose your seat in that course.
