

Please join Park's efforts to aid the victims of Hurricane Katrina.

Students in SS100 (First-Year Seminar) are conducting a campaign titled "Helping Our Fellow Americans – One Freshman at a Time" to raise money for hurricane relief efforts.

During the week of September 12-16, 2005:

SS100 students and faculty members will be accepting donations that will be directed to Heart to Heart International in Olathe, Kansas. Your generosity will demonstrate the Park Family's commitment to helping those in need.

Checks can be made payable to Heart to Heart and delivered to University Advancement in Mackay 12.

If you have questions, please contact Dr. Andrew Johnson or Dr. Timothy Westcott at (816) 584-6364 or tim.westcott@park.edu

Thank you for helping any way you can.
