

ED629/630 Action Practicum Principal Approval Form

Student Name: _____

Project Title: _____

The Park university graduate student, named above, intending to complete an ED630 Action Practicum at this school has discussed the project with me. I understand the purpose and intent of the project. I also understand the following about the study:

1. It is not thesis research, and there is no intent to publish or present in public.
2. It is a class assignment where there is no intent to publish or present it in public.
3. Because it will take place on school property, the Park students must have a letter from the school administration saying that they know about the study and they approve it.

I understand the intent and purpose of this study and hereby grant my approval for the study to take place at this school: _____

(Name and Address of School)

Signed: _____
(Signature of school principal)

Park Student Verification:

I verify the following concerning the study I am undertaking for ED630

1. It is not thesis research, and I have no intent to publish or present it in public,
2. It is a class assignment where there is no intent to publish or present it in public
3. Because it will take place on school property, I have talked with my administrator and he or she understands the intent and purpose of the study.
4. I have this form from the school administration saying that he or she knows about the study and approves it.
