

One future.
Yours.

One university. Park.

Anywhere you go, Park is there, bringing the university experience to active-duty personnel and dependents. We've built a decades-long relationship with the U.S. military, so our campus network extends to more than 40 military installations across the country. And our Online programs enable you to move ahead with your degree even when you're stationed off the grid. We're there, because we understand what you go through.

Tell us about the future you have in mind.
We'll show you it can become a reality.
