

One way. Yours.

One university. Park.

Nontraditional education is a tradition at Park. We know professionals need graduate programs to fit in with day-to-day demands. That's why we've developed master's degree and graduate certificate programs to help you succeed without interrupting your career. You'll benefit from a flexible curriculum based on classes in the Kansas City area or Online. We provide practical focus, high academic standards, and a direct path to the education you need.

Tell us what you need. We'll listen.
