Make Your Own Park Pirate Ship!

Simply follow the arrows and fold along the dotted lines.

1. Fold paper in half horizontally. Then unfold leaving a horizontal crease.
2. Fold paper in half vertically. Then unfold leaving a vertical crease.
3. Fold top left corner down into center. Fold bottom right corner up into center.
4. Fold paper in half horizontally.
5. Fold bottom left corner up into center.
6. Flip your boat over horizontally to the opposite side.
7. Fold bottom left corner up into center.
9. Fold top right sail down to center.
10. Go down 1/4 in. from previous fold then fold sail back up.
11. Tuck this sail inside the boat. Fold base back to make a stand.

Set sail! Arrgh!
