**LOAN FEES**      Calculated at an average of 1% based on amount awarded

**Documented expenses related to the student’s education may be added to the standard cost of attendance through the use of Professional Judgment (PJ). Expenses such as child care, additional travel costs, computer costs or actual tuition may be considered to alter the student’s standard Cost of Attendance on a case-by-case basis.**

### CHILD CARE

Requires a Professional Judgment--based on actual child care costs—documentation must be submitted before adding to cost of attendance.

<b>INSURANCE</b>	\$348	\$696
------------------	-------	-------
