[Answer/update your Security Challenge questions.](#)

[Set/update your SiteKey.](#)

Enter your current password first, and then enter your new password twice. Click submit.

Change Your Password **Log Out**

To change your password, please enter a new password below and click Submit. This action will set the password for systems that use your Park ID. Please be aware, although most systems will update with your new password immediately, it can take several hours for your password to update in eCollege.

WARNING: If your Park University email account is setup on your phone or smart phone you will need to manually reset the password on it.

Passwords must conform to the following rules:

- Must be between 8 and 50 characters in length.
- Must contain at least one number, at least one upper case letter, and at least one lower case letter.
- Must not contain any special characters (restricted by eCollege).
- Must not be one of your last two passwords.
- Must not contain your Park ID.
