ACADEMIC REGULATIONS AND POLICIES CORRECTION

(Revised 1/7/16)

ACADEMIC PROGRESS/PROBATION

3. Academic Suspension

First sentence changed.

From: “In cases where a first-time Park undergraduate student taking only one course per semester receives a failing grade, he/she will be placed on academic probation rather than on academic suspension.

To: “In cases where a first-time Park undergraduate student (in his/her first 16-weeks) meets the criteria for academic suspension, he/she will be placed on academic probation rather than on academic suspension.”

WITHDRAWALS

Policy change.

Park University has two types of withdrawal from courses. An administrative withdrawal is initiated by the institution. An academic withdrawal is initiated by the student. If you have financial aid, administrative withdrawals and/or student-initiated withdrawals may affect that assistance. If the student is an international nonimmigrant student, either type of withdrawal may result in a loss of lawful nonimmigrant status.

Administrative Withdrawal

Park University reserves the right to administratively withdraw a student from class(es) for failure to meet financial obligations or failure to participate in an academically-related activity in a class during the first two weeks of the semester/term.

In the case of an administrative withdrawal for failure to meet financial obligations, the University will initiate an administrative withdrawal.

If a student fails to initiate the academic withdrawal process and has not participated in an academically-related activity in the class during the first two weeks of the semester or term, the University will initiate an administrative withdrawal with no record on the transcript.

Academic Withdrawal

Students are able to initiate an academic withdrawal until the last day of the semester/term. Students who initiate an academic withdrawal no later than two-thirds of the way through the semester/term will receive a “W”. Students who withdraw after two-thirds of the way through the semester/term will receive a “WF”. Refer to the grading policy for additional information. Refund of tuition is based on the date the student requested to be withdrawn (effective date). Students must officially withdraw through the Student Success Center or by e-mailing advising@park.edu.
APPLYING FOR GRADUATION

From: An Application for Diploma is required before a completion statement is posted to the transcript. Applications may be acquired from the Student Success Center, campus center director or through MyPark. Students must return the completed form with the appropriate fee.

To: An Application for Diploma is required before a student is allowed to participate in commencement and/or prior to a diploma being provided to the student. Applications may be acquired online through MyPark. Students must submit the completed form with the appropriate fees. Students may contact their advisors if assistance is needed.

ATTENDANCE

Policy change.

Students are expected to attend all classes, laboratories and field work for which they are enrolled, and complete all work assigned by the instructor.

1. Park University confirms that students have engaged in an academically-related activity in the first two weeks of the term/semester for each course in which they are enrolled. Academically-related activities include, but are not limited to: physically attending a class where there is an opportunity for direct interaction between the instructor and students; submitting an academic assignment; taking an exam, an interactive tutorial or computer-assisted instruction; attending a study group that is assigned by the school; participating in an online discussion about academic matters; or initiating contact with a faculty member to ask a question about the academic subject studied in the course. Academically-related activities do not include logging into an online class without active participation, or participating in academic counseling or advisement.

2. Students who have not engaged in an academically-related activity within the first two weeks of class will be withdrawn from the course(s). International nonimmigrant students who are withdrawn from a course may lose their lawful nonimmigrant status. Student-athletes who are withdrawn from a course(s) may jeopardize their eligibility.

3. An absence is a matter between the student and the instructor. The instructor may excuse absences for valid reasons, but missed work must be made up within the semester/term of enrollment.

4. An Incomplete is issued at the discretion of the instructor and may not be issued to a student who has unexcused or excessive absences.

5. The grade of “F” grade earned by students receiving financial assistance will be reported to the appropriate agency. Instructors also will report when the last day an academically-related activity was performed for students who receive an “F”.

Online Attendance Policy

Policy removed. Policy is the same for face-to-face and online classes.

Amendments 2
GRADING POLICY

Add
WF – Withdrawal issued after the 10th week of a 16-week semester, 5th week of an 8-week term or 3rd week of a four-week summer session. Not available for two-week summer sessions (Maymester, Junemester or Julymester). The “WF” is a student-initiated withdrawal that will receive the same grade points as an “F”.

INCOMPLETES

From: An Incomplete will not be issued to a student who has unexcused or excessive absences recorded for a course.
To: An Incomplete is issued at the discretion of the instructor and may not be issued to a student who has unexcused or excessive absences.
