

PARK UNIVERSITY
General Financial Disclosure Related to
Sponsored Program Agreements

This General Financial Disclosure is designed to help the University to promote objectivity in research by ensuring that "there is no reasonable expectation that the design, conduct, or reporting of research . . . will be biased by any conflicting financial interest of an Investigator" (42 CFR Part 50). It, additionally, is designed to ensure that the protection of human subjects involved in research will not be jeopardized by conflicting financial interest of the Investigator. (Please see below for definitions of Significant Financial Interest and Investigator)

The information requested is required under the Financial Disclosure Policy of the Public Health Services (PHS), the National Science Foundation (NSF), the Food and Drug Administration (FDA) and other public and private funding sources.

The information requested must be disclosed (a) at the time an application is submitted; (b) on an annual basis during the project period; and (c) immediately as new significant interests are obtained.

Name: _____

Sponsoring Agency: _____

Project Title: _____

My position on this project is: (check)	Principal Investigator	Project Director	Co Investigator	Other (explain)

I hereby declare that I, my spouse, or dependent children, have significant financial interests related to the work to be conducted under this sponsored project as reported on page 2 of this form. If no significant financial interests exist, indicate NONE in this space _____ and no additional information is required.

I certify that the information provided is a complete listing of all significant financial interests related to this sponsored project.

Signature: _____ Date: _____

I understand that this Disclosure is not a confidential document.

Updated forms should be forwarded to Office of Sponsored Programs, 303 Science Hall, Box 51, 8700 NW River Park Dr., Parkville, MO 64152.

The term 'significant financial interest means anything of monetary value, including, but not limited to, salary or other payments for services (e.g., consulting fees or honoraria); equity interests (e.g., stocks, stock options or other ownership interests); and intellectual property rights (e.g., patents, copyrights and royalties from such rights).

The term does not include:

- a. salary, royalties or other remuneration from the University;*
- b. income from seminars, lectures, or teaching engagements sponsored by public or nonprofit entities;*
- c. income from service on advisory committees or review panels for public or nonprofit entities; or*
- d. an equity interest that when aggregated for you, your spouse and dependent children is both not more than \$10, 000 and is not more than 5% ownership interest in any single entity; or*
- e. salary, royalties or other payments that when aggregated for you, your spouse and dependent children for the next twelve months, is expected to be not more than \$10,000.*

Investigator means the principal investigator and any other person who is responsible for the design, conduct, or reporting of research funded by PHS, or proposed for such funding. Subgrantees, contractors, and collaborators for PHS proposals and awards, have the same duty to disclose as investigators. PIs have the responsibility to obtain and submit the relevant financial disclosures for the subgrantees, contractors, and collaborators.
