

ARTICULATED PROGRAM AGREEMENT BETWEEN LOGAN UNIVERSITY AND PARK UNIVERSITY

I. INTRODUCTION

Based upon a mutual respect for the integrity of parallel academic programs and in an effort to better serve students intending to pursue the chiropractic profession, Logan University (Logan) and Park University (Park) hereby enter into an agreement for an articulated program. This agreement will define coursework to be completed at Park for a student intending to matriculate at Logan, special terms of admission to Logan 3+3 Articulation Agreement (3+3 program), and special criteria for the awarding of the baccalaureate degree to participating students.

Objectives of the Agreement:

1. To attract qualified students to Park and Logan.
2. To facilitate the transition of students from Park to Logan.
3. To provide specific advisement for students Park who intend to pursue professional study at Logan.
4. To encourage academic and administrative coordination between institutions and the exchange of evaluative information on the outcomes of the program with the goal of continual improvement.
5. To provide qualified students the opportunity to complete the baccalaureate degree and the Doctor of Chiropractic Degree in one less year than the normal time, i.e. 7 years.

II. ARTICULATION AGREEMENT

1. Under the provisions of this program, a 3+3 Program student will matriculate at Park University with a baccalaureate degree with a minimum of 92 credit hours in coursework at Park and a minimum of 30 credit hours in coursework at Logan.

TOTAL HOURS FROM LOGAN

30 Credit Hours

(Credit Hour = Carnegie Definition of 50 minutes = 1 credit hour)

For every subject required by Logan (either offered by Park or Logan), no grade below a 2.0 on a 4.0 scale will be accepted for credit in this articulated program. In addition, all 3+3 Program students must have earned a cumulative grade point average of at least 2.75 for the 92 credit hours at Park to be considered for admission.

1. In Logan's continued efforts to remain at the forefront of advanced, doctoral education, updates to courses may arise. Alternative courses may be considered for degree completion credit at the discretion of Park University.
2. Students are admitted to Logan only as first year Doctor of Chiropractic students. Upon completion of the required coursework, 30 credit hours from Logan may be transferred toward completion of the baccalaureate degree at Park. In order to matriculate at Park, an official transcript must be sent from Logan to a designated official within Park, and the student must request and complete application materials for graduation.
3. While enrolled at Park, students will complete all required coursework as outlined above and described in the Park catalog.
4. The acceptance of transfer credits or testing toward completion of degree requirements shall be governed by current policies of Park.
5. In order to be granted *the Bachelor of Science with a comprehensive major in Biology- Pre-Medical degree* from Park, students must have successfully completed a total of at least 122 credit hours.
6. Logan shall accept, for the entrance date of its choice, all students who successfully complete the Pre-Chiropractic Program with a cumulative GPA of 3.0 or higher and meet all other criteria for admission (including core competencies described in the Council on Chiropractic Education's *Doctor of Chiropractic Program Requirements for Institutional Standards*).
7. Students who earn less than a 3.0 GPA, but at least a 2.75 or higher, and satisfy core competencies described in the Council on Chiropractic Education's *Doctor of Chiropractic Program Requirements for Institutional Standards*, may be eligible for admission to Logan at the discretion of the Vice President of Enrollment Management, and will receive appropriate consideration in the standard admission process for having completed the Park Pre-Chiropractic Program. Such student will not receive the assurance of a seat reserved for students earning a 3.0 or higher GPA and will be assessed under an alternative admission track.
8. Students will complete an application to Logan six months to a year in advance of their desired entrance date and will complete all required application procedures thereafter in a timely manner, including submission of a professional reference, a chiropractor's letter of recommendation, and a satisfactory interview. Students applying to Logan's doctorate program under a 3+3 Program Agreement will qualify for their application fee to be waived.
9. Students enrolled in the 3+3 Program who successfully complete all required coursework at Logan with no grade below a 2.0 on a 4.0 scale will be granted the baccalaureate degree from Park, provided they have met all other Park's graduation requirements.
10. Students shall pay the appropriate tuition and fees to each institution for all coursework taken at that institution. During their first year of study at Logan, students shall not be registered for courses at Park, but shall pay any fees required to maintain their registration toward the baccalaureate degree. Upon completion of the assigned coursework within the first year of study at Logan, students shall be responsible for any fees regularly charged by Park for transfer of credits and awarding the baccalaureate degree. Transcript requests made for Logan transcripts to be sent to the agreement school will have their transcript fee waived.

III. MUTUAL PROMOTION AND STUDENT ADVISEMENT OF THE PROGRAM

Logan and Park agree to encourage qualified students to participate in this 3+3 Program through advisement and dissemination of information. The institutions agree to remain in

contact with each other and apprise each other of any changes to the appointed advisor/faculty member assigned to oversee students attending under the 3+3 Program. The appointed advisor/faculty member for each institution will make every effort to:

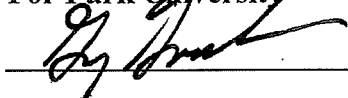

1. Maintain a list of students actively pursuing the program with the intent to enroll under the 3+3 Program and keep each other informed of those students through the use of the supplemental Application of Intent form.
2. Maintain regular communication with Logan to update on any changes to the appointed representative's contact information for the purpose of marketing on Logan's website.
3. Will provide Logan's assigned representatives the opportunity for periodic visits for the purpose of meeting with students and for recruitment.
4. Care will be taken by Park to make students aware that some state boards of chiropractic require completed baccalaureate degrees, PRIOR TO CHIROPRACTIC STUDY, and to advise students planning to practice in those states accordingly.
5. Both institutions agree to promote the 3+3 program in their recruitment activities; online and print marketing pieces; and to refer prospective students, when appropriate, to the other's admission office.

IV. CONTINUATION AND TERMINATION OF THE AGREEMENT

By signing, both institutions acknowledge that this agreement shall remain intact unless stated, in writing, that the agreement is being terminated. If terminated, both institutions will honor the terms of the agreement until all students already admitted into Logan University are given the opportunity to complete the program in a timely manner and meet the terms in place.

Unless extenuating circumstances require the creation and establishment of a new agreement, modifications to the terms and/or curriculum therein may be submitted, in writing, by way of amendment.
