

PARK UNIVERSITY COMMENCEMENT

2 0 2 1

Founded in 1875 in Parkville, Mo., a suburb of Kansas City, Park University is a comprehensive, independent institution that is a national leader in higher education. In 2000, Park achieved university status and currently serves 15,373 students at 41 locations in 22 states and online, including campuses in Parkville, Independence and Kansas City, Mo.; Lenexa, Kan., Austin and El Paso, Texas; Barstow and Victorville, Calif.; Gilbert, Ariz.; and at 31 military installations across the country.

Serving an ethnically diverse student population and non-traditional adult learners has, for many years, been central to Park's educational mission. Even in its first year, Park University enrolled women students as well as men, something that was unusual at the time; and two of the original 17 students were Native Americans. Park was also an early integrator when it welcomed African-American students to live in Park's residence halls in the 1950s.

Park continues to increase access to higher education by offering the quality undergraduate and graduate degrees students desire at locations, times and delivery formats that best serve their needs. The University has been ranked among the top private colleges/universities in the country for adult learners as well as for annual return on investment, and it is consistently ranked among the top least expensive private schools in the country.

Providing such access has developed considerable diversity among the student population, with 244 international students from 62 countries, and a 56 percent student representation from racial, ethnic and cultural groups typically underrepresented in colleges and universities. In addition, extracurricular activities and championship-caliber athletic programs (NAIA) complement Park's outstanding scholastic programs.

Park University offers numerous degree programs online, and it maintains a long-standing relationship with the U.S. military for which it has been recognized as one of the largest providers of online undergraduate education to military learners worldwide. Since 2009, Park has received international recognition each year by various military-related publications as a top military friendly college/university. In addition, Park is among the top-ranked "best for vets" private colleges/universities in the country.

A SPECIAL MESSAGE FROM INTERIM PRESIDENT SHANE B. SMEED

Dear 2021 Graduates:

Four years from now, our University will commemorate its sesquicentennial. As the Park community reflects upon 150 years of transforming lives through accessible, student-centered quality higher education, what you have overcome and accomplished individually and collectively merits a special place in our university's history. Your dedication, resilience and courage have led you to this moment. I join your families, friends, professors, classmates and the entire Park University

family in celebrating your achievement.

Your graduation today marks both a transition and an elevation from student standing to lifetime membership in the Park University Alumni Association, a community of 80,000 outstanding graduates across the nation and throughout the world. Like previous alumni who overcame the 1918 influenza pandemic, the Great Depression and other epic challenges, you too will become the dreamers and builders needed to imagine what is possible and then convert a bold vision into a bright reality.

During your time at Park University, you have been building momentum. No matter where your life's journey takes you next, be it a career choice, another academic program or a community service opportunity, you have developed the aptitude and attitude necessary to succeed.

I am honored to celebrate this special occasion with each of you. Our faculty and staff are honored to count you as graduates of this special institution. Congratulations!

United, in Park,

ACADEMIC ROBES AND REGALIA

The pageantry and color of an academic convocation come from medieval Europe where academic robes and regalia were adapted from Ecclesiastical garb. Most robes are black to symbolize the democracy of scholarship, since they cover any dress indicating social standing worn beneath. Bachelors' gowns are cut with long, pointed sleeves, while masters' gowns feature closed, slit sleeves. Doctoral gowns are full-cut with double-belled sleeves and bars of velvet trim.

The hood, originally a simple cowl attached to the gown, bears the heaviest symbolism of the academic costume. The bordering color indicates the field of learning in which the degree is earned. The square cap, or mortarboard, originated in the 13th century at the University of Paris and came to England in Tudor times. Round caps originally were reserved for doctoral degree holders. Doctoral tassels are usually gold, with other degrees represented by black. However, in recent years, tassels have come to match the lining of the hood to indicate the field of learning. The Honors Medallion symbolizes completion of the Honors Academy which involves independent development of projects with the assistance of faculty mentors. Alpha Chi is the highest honor society at Park University and encompasses all academic areas. The stole is worn as an indication of this recognition.

CEREMONIAL SYMBOLS

Presidential Medallion

There have been two presidential medallions in the history of Park University. The first, bestowed upon Acting President H. Melton Mohler by the student council in 1964, is a polished brass cross pattée with a sextant, representing the navigational mission of the president to guide the University, in the center. The insignia is surrounded by two red and yellow concentric circles and the words *Fides et Labor*, the University's motto. The presidential medallion of today, presented in April 2002 to President Beverley Byers-Pevitts, Ph.D., is made of gold-plated bronze, with the names and dates of tenure of each former president engraved on the links of the chain. The medallion symbolizes the president's responsibility for the welfare of the institution.

Ceremonial Mace

The ceremonial mace is among the oldest symbols of authority. Once used as weapons by royal bodyguards to protect kings, cities and parliaments eventually began using them, and the heads of medieval universities later followed suit. In academia today, the ceremonial mace has become one of the treasured symbols of office and is representative of the power of an institution. Park University's 42-inch ceremonial mace was commissioned by President Emeritus Greg Gunderson, Ph.D., in 2017. In the center of the mace head is Park University's Mackay Hall clock tower and the school motto, *Fides et Labor*. The antique bronze, octagon-shaped platform that supports the mace head has a cherry wood upper disk and a lower disc made with limestone mined from Park University's Parkville Campus, serving as a representation of Park University's strong foundation.

The Academic Bell

The Park University Academic Bell was commissioned in 2018 by President Emeritus Greg Gunderson, Ph.D., and is used to commemorate the beginning of an undergraduate's progress toward graduation. During First Year Seminar, a required freshman course, students are given an opportunity to strike the bell. Later, during December and May commencement weeks, graduating seniors are encouraged to ring the bell in Mackay Hall to signal the completion of their studies. The solid brass bell, six inches in diameter, has a

dark patina finish and is mounted atop a walnut stained hardwood base. "Fides et Labor," the Park University motto, is engraved across the top, serving as a reminder that faith and work remain important components of the academic journey.

THE ALUMNI ASSOCIATION WELCOMES YOU

On behalf of the Park University Alumni Council, I am thrilled to congratulate each and every graduate on a job well done! Completing a degree program is one of life's most challenging and rewarding accomplishments. Your investment of time and effort was worth it. The best is yet to come.

Today, a new journey begins: we are excited to welcome you into the Park University Alumni Association! The Park University Alumni Association exists to inspire passion and pride, and to promote continued participation with the University. We are here to help you maintain meaningful lifelong connections with other alumni.

As a member of the Alumni Association, you will have many opportunities to get involved in alumni activities and events. And while we'll reach out often to keep you updated, we also invite you to contact us. You can reach the Office of University Engagement by phone (816-584-6265), through social media (LinkedIn, Facebook, Twitter and more), via e-mail at alumnioffice@park.edu, or online at advancing.park.edu when you want to get involved or need our assistance. We are always here to offer support.

Again, congratulations on this milestone. We are very proud of you!

Best wishes,
Kathryn Slaughter, '16, MHA '18
